Discover The Ultimate
Wine Country Experience

Welcome

Get on the right track and joins us as we carry passengers through the lush Napa Valley landscape in elegant comfort. Beautifully restored railcars include Honduran mahogany paneling, brass accents, etched glass partitions and velveteen fabric armchairs. Napa Valley is one of the top wine growing regions in the world located in Northern California about 50 miles northeast of San Francisco and about 60 miles west of Sacramento. And the Napa Valley Wine Train's route runs right through it!

The Napa Valley Wine Train takes you on a 36-mile round-trip discovery to St. Helena and back, stopping at celebrated wineries along the way. But it's more than a train. It's a luxuriously vintage setting. A lush, mesmerizing landscape. A divine four-course meal. Exclusive insider winery tours. An intimate shared experience.

Enjoy a delicious lunch, meet local vintners, enjoy winery tours and wine tasting. Guests can shop prior to boarding at the McKinstry Street Station. The Wine Shop features over 200 kinds of regional wine, while the gift shop offers an elegant variety of jewelry and other luxurious gifts.

Originally the rail line was built in 1864 to take visitors north to the resort town of Calistoga. After boarding the train at the McKinstry Street Station, guests travel through the old industrial section of Napa, first crossing the Rural Urban Limit Line (RUL). Then it's nothing but the spectacular scenery of beautiful wine country, the famed agricultural preserve of Napa Valley, past some of the most expensive and famous farm real estate in the country, and through the charming towns of Oak Knoll, Yountville, Oakville, and Rutherford.

Cuisine

Yes, the Napa Valley Wine Train is a luxurious journey. A one-of-a-kind adventure. But it is first and foremost a restaurant. Yellowfin tuna. Pan-seared Pacific halibut. Roasted tenderloin of beef. Fresh local produce. Napa-style, multiple course gourmet meals. We take pride in the decadent quality of our cuisine. And the fact that it's created onboard a moving antique train.

Our four traveling kitchens allow our chefs to create culinary works of art from scratch, made to order. Whatever dish you choose Donald Young, Executive Chef, Napa Valley Wine Train prepares it with locally sourced top-quality ingredients.

Winery Tours

Family-run and sustainably focused, Beringer and Whitehall Lane wineries will blow you away with their quality and passion for the grape. One dripping with history, the other in modernity. After a gourmet lunch aboard the Wine Train, indulge in private tours and tastings at Napa Valley's Beringer and Whitehall Lane wineries.

Shopping

The Napa Valley Wine Train rolls by more than 100 wineries and grape-producing vineyards every day on its journey from Downtown Napa to Downtown St. Helena. We visit these wineries and attend events and tastings so that our wine store selections are carefully curated for their quality and value. Most of the bottles on our shelves (80 percent) come from right here in Napa Valley, where vintners set the bar high on crafting some of the best wines in the world. The other 20 percent of our space is reserved for wines we love from other California regions.

If you can't make it into our store at the station in Downtown Napa, you can shop on our website, where you'll find everything from famous brands to small production, boutique wines. We even have a limited inventory of some coveted, allocated big names you have trouble finding anywhere else. Our low prices will surprise you, and you can even mix and match brands for a 10 percent case discount.
